OMSCHRIJVING

In this little book you will find some of our traditional dishes, which you probably liked when dining out or at the home of Dutch friends. Our traditional dishes are mostly based on rather nourishing ingredients, but as you probably know we take only one hot meal a day. The first and second meal are sandwich-meals. Some of the varied recipes in this book are: Arnhem Girls / Buttercakes / Red Cabbage / Cinnamon Turnovers / Hotchpotch / Hague Bluff / Dutch Pea Soup / Snowballs / Kandeel / John in the Bag. It has been a great pleasure to write this little book for you. I wish you good cooking and much fun preparing these typical dishes of the Netherlands. Yours sincerely Heleen A.M. Halverhout
